The Souvenir Card JOURNAL

FOURTH QUARTER 2006
VOLUME 26

NUMBER 4

THE OFFICIAL PUBLICATION OF THE SOUVENIR CARD COLLECTORS SOCIETY

CAPITOL

ON THE COVER: A full-size image, missing the lettering at top and bottom, for one of the cards produced for the 90th International Convention of the International Plate Printers, Die Stampers, Plate Makers and Engravers Union of North America (IPPDSPM&EU of NA) which was held 21-24 June 2006 in Washington, DC. The convention folder includes eight cards which I have listed as F2006A (a-h), and six of them are shown in my Visual Reference series (p. 13, in this issue). The card on the cover would be F2006A(g). The other card, F2006A(h), is a greeting from Local 2 and has a tiny image of a spider press. I do not know when "Plate Makers" was added to the title. It first appears on F2004A. I have used the previous designation in the listing, i.e., IPPDS&EU of NA.

◇

I am concerned about the status of our hobby, i.e., Souvenir Card collecting and in particular the status of intaglio products. It is rumored that the Bureau will participate in the same ANA shows in 2007 as they did this year—which resulted in three (3) "intaglio prints"—and, perhaps another Las Vegas show. If so, I strongly recommend you order the "subscription", if it is offered, and you can afford the price increase. It seems the BEP is following the lead of American Bank Note Commemoratives in their pricing shortly before they went out of business. It is presumed that the BEP is not "going out of business" but may be further limiting their intaglio products.

I would like to hear from the membership—thoughts, ideas, suggestions, whatever—what we might propose to the BEP about their current policies and direction.

◇

I had hoped to provide a "Treasurer's Report" on the status of our finances. I am well aware that the Metro Chapter Four has a sound financial base, primarily from the sale of their souvenir cards—mainly produced by Mike Bean. I do not know how the Washington Chapter One is doing, but I do know they have "money in the bank." It should be noted that both of these Chapters are independent of the national SCCS and do not have the expense of producing this Journal and the "free" annual card.

Unfortunately, our Treasurer has not been able to produce a report in time for this Journal to go to press. My projection is to get this into your hands before Christmas and the holidays are upon us and those distractions from our hobby intercede and delay your dues renewals for 2007.

The Journal in your hands is more expensive to produce than the other Journal that I edit. The cover is 65# card stock and the 17" x 11" paper is 60# to prevent jamming in the printer. The other Journal is on 8.5" x 11", 20# paper with a staple in the upper left corner. I end up three-hole punching it for a binder. Our Journal costs almost twice as much to print for what amounts to the same 28 pages. The lighter weight piece is mailed flat in an envelope. The dues paying membership is about the same, but the other dues are less.

I raise this thought about where the SCCS is going if some members chose not to continue their dues for the coming year. RENEWING YOUR MEMBERSHIP IS CRITICAL TO THE LIFE OF OUR SOCIETY!

If the number in the upper left, above your name on the mailing label, ends with "06" your dues are due for 2007. Please send your dues check for \$25.00 made out to the "S.C.C.S." to Dana Marr, P.O. Box 4155, Tulsa, OK 74159-0155 today. Thank you.

There has been talk that the postage rates will increase next year. This will put a further burden on our treasury. Do we change the format, change the number of issues, or ? I would appreciate hearing your comments about any perceived solutions to this problem.

◇

On a similar note, I have repeatedly asked in the past that you notify Dana Marr, if you move, of your change of address. Since I took on the publishing/ mailing (first class) role with the first issue of 2005, several copies have been returned to me. I (we) cannot afford to remail them. It requires an envelope and new postage, i.e., a total of \$1.50. So if you have moved, and are missing any copies of this Journal, let me and Dana know. (As the editor, I am a little chagrined that I have not received more inquiries as to "where is my Journal"!

◇

Finally, my most sincere wish to you all for a very

MERRY CHRISTMAS
HAPPY HOLIDAYS
and a
HAPPY, HEALTHY NEW YEAR

ANOTHER "SECRET" CARD?

Ralph Calabrese

[A photocopy of the card below was forwarded by **Ralph Calabrese**, who apparently received it as a "Benefactor" of the *Encyclopedia of United States Stamps and Stamp Collecting*, by Steven Rod and Rodney A. Juell. The book was apparently published on 27 May 2006, by the United States Stamp Society (formerly the Bureau Issues Association) and was distributed at the Washington 2006. There is no mention of the "price" of being a "benefactor." Mr. Juell

responded to my e-mail that the book is available for \$30.00 ppd. (USSS members: \$25) from the United States Stamp Society, P.O. Box 6634, Katy, TX 77491-6634. There are NO "limited-edition" cards, produced by "craftsmen from the Bureau of Engraving and Printing", still available. The card's engraving has obviously been used before! The card is 7" x 7.25", the image appears to be gray-brown, the "seal" in several shades of blue. Ed.]

SOUVENIR DESIGNED, ENGRAVED AND PRINTED BY MEMBERS, BUREAU, ENGRAVING AND PRINTING.

I illustrate here some of the "F" cards—the only ones that I have—the earliest one (opposite page), which I recently acquired, is, I believe, a proof of F1946A(f). The card is 12" x 9.5" and the colors of the "scenes" and the inscription match the description in "our catalog." You will note that the lettering is shifted to the left (presumed to be centered on the finished card) and is missing the word "sheet." There are some stains on the card but it is otherwise in good condition being over 60 years old!

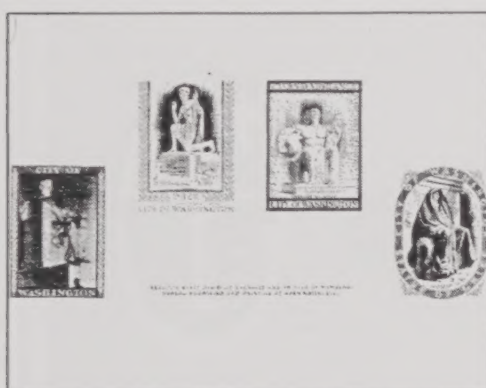

Souvenir sheet or card? The term "souvenir card" is not always accurate in that many items included here are on paper, not card stock. This is obviously true for other pieces, e.g., the SIPEX miner (SO1).

Then there is always the question of the original designation of "F" as "Forerunner" and the inclusion of cards that do or don't have the Union triangle. Our Society founder, Dr. Curtis Radford, who compiled the SCCS Numbering System in 1989, often referred to as "our catalog" or "bible," had to make certain decisions which were followed by subsequent decisions which have led to some confusion, but were, I

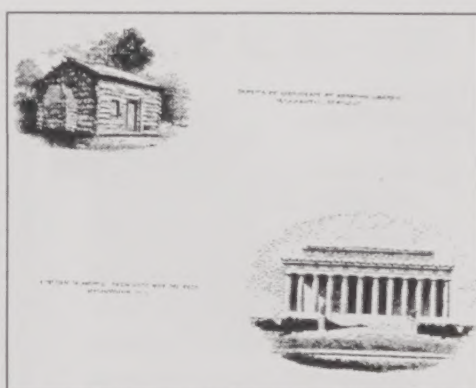

believe necessary to bring some type of order for the collector in organizing his/her collection and for the buyer/seller to understand what they are negotiating. Unfortunately, the system was not adopted by all, especially Scott, who initially didn't include any cards except those relating to stamps. When they, belatedly, picked up on the BEP numismatic cards their descriptions left a lot to be desired.

I have tried in this series to provide "a visual reference" to complement the previous work and maybe allow the reader to better understand and appreciate the collectible material that is out there.

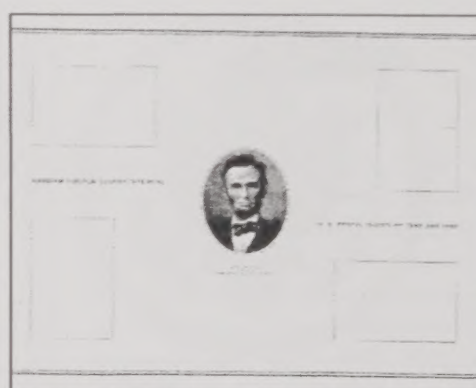

The cards here are scanned at 30% of the original, the size of which is given (width x height). Some which are oversized and/or vertical format cannot be shown in their entirety in the format I have used for this series. Again, I had to make certain decisions that may or may not have been correct but, on the other hand, have allowed this visual presentation to be made.

Ken Werring, President of Metro Chapter 4, sadly advises that Thomas W. Whittle, Treasurer of the Chapter since its inception, died of cancer at age 78, on 19 November 2006. Unfortunately Tom was too ill to make the last Metro meeting on 5 October 2006. He will be missed by the Chapter and the National. *Requiescat in pace.*

◇

John Parker advises that local and/or visiting SCCS members will hold a meeting at the Florida United Numismatists (F.U.N.) show, 4-7 January 2007, at the Orange County Convention Center, Orlando, FL. It is my understanding that the BEP will NOT be in attendance, but Mike Bean will be demonstrating the intaglio process on his spider press and offering prints for sale to the public.

◇

The BEP has done it again! Their latest "Intaglio Print" (read expensive souvenir card) issued for the 2006 Las Vegas Coin, Stamp and Collectibles (B283) was belatedly announced and then could not be ordered before 1:00 p.m. on 27 October 2006. No advance notice, no advance orders, and not available

by subscription. Speaking of which, the three "Ten Dollar Reflections" cards are "sold out." It seems these are another form of "limited-edition" offers being marketed by the Bureau. Unfortunately, it will be sure to produce a decline in interest among some card collectors.

◇

A two-page ad in the December issue of *Bank Note Reporter* advises that "H.R. Harmer, Inc. is proud to present the historic American Bank Note Archives Auction: • Stock and Bond Certificates • Banknotes and Vignettes • Vignette Books • Production Material • Security Printing Ephemera • Fiscal Paper". It is scheduled for 31 January, 1 & 2 February 2007 in West Caldwell, NJ. Catalogs will be \$30 from the firm at 775 Passaic Avenue, West Caldwell, NJ 07006. (212) 532-3700.

An answer to my e-mail indicated the catalogs should be ready by the end of December. They also plan to have them on-line at www.hrharmer.com

Intaglio Print
Las Vegas, Nevada — October 2006**

The American Numismatic Association (ANA) Coin, Stamp & Collectibles Show in Las Vegas Intaglio Print card features images of various historical stamps and vignettes representative of Nevada. The center of the card depicts an image of "United States Post Office Department" (Misc. The following are the additional images featured on the card:

Top Left – Miscellaneous Die #10610

"U.S. Internal Revenue Playing Cards, Class A," Series 1922
Engraved by Louis S. Schofield and Edward M. Hall.

Top Right – Miscellaneous Die #9454

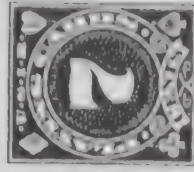

"U.S. Internal Revenue 7¢ Playing Card Stamp," Series 1917
Engraved by Edward E. Meyers.

Bottom Left – Miscellaneous Die #14971

"U.S. Internal Revenue Playing Cards – 1 Pack," Series 1940
Engraved by Charles F. Wittenauer (Picture Engraver) and Edward H. Helmuth (Letter Engraver).

Bottom Right – Miscellaneous Die #11643

"U.S. Internal Revenue Playing Cards – 10¢," Series 1929
Engraved by Charles F. Wittenauer (Picture Engraver) and Edward H. Helmuth (Letter Engraver).

The copying of this print is restricted by Title 18, U.S.C. which prohibits the unauthorized reproduction, in whole or in part, of currency, postage stamps, or other securities of the United States.

BUREAU OF ENGRAVING AND PRINTING

As indicated in the last issue there were only ten (10) bidders, three by mail and seven by e-mail, which proved to be quicker. As in Mini-Auction No. 1, most of these lots are one-of-a-kind duplicates, so it is advisable to bid early. Closing date for this auction:

31 January 2007

RULES:

1. Only souvenir cards or intaglio printed items are acceptable for consignment. Interested sellers should contact the "interim-auctioneer," i.e., me, with any questions and before sending any material. The best contact would be by e-mail: kriebewv@drexel.edu

2. Any lot submitted should have a minimum bid indicated and include the correct SCCS numbers, for which the consignor is responsible. The minimum bid per lot is \$5.00. Material of lesser value should be grouped to meet the minimum. Material will be accepted for auction in the order received (after prior contact). The "interim-auctioneer" reserves the right to refuse material offered, especially in the case of duplication. Damaged material is NOT acceptable.

3. Consignors will pay the postage to ship their lots and the return postage for unsold material. There is NO consignment fee, however, the SCCS will retain 10% of the selling price as a commission fee. Care shall be taken to protect any material submitted, but the "interim-auctioneer" and the SCCS assumes NO liability and the consignor(s) should verify and/or provide their own insurance coverage.

4. Lots will be sold to the highest bidder at 10% over the second highest bid. In the case of tie bids, the first received will be awarded the lot. Bids below the "minimum bid" listed are NOT accepted. Bid in \$1.00 increments only, i.e., NOT "cents."

5. Successful bidders will pay the postage and insurance for their lots. There is NO buyer's fee, but NO material will be shipped until the invoice for same is paid in full. Checks should be made out to the auctioneer NOT the SCCS.

6. The items listed in this auction are from my own duplicates, NOT my collection. More than one copy is sometimes available and will be sold if there are more than one bid on an item listed.

7. Any questions, use e-mail address above, or write.

NOTES:

- (1) To my knowledge Chapter Four's "Historic" cards (1997-2002) are still available. Contact source below for pricing or see Second Quarter issue. Large cards carry EXTRA mailing charge of \$2.00 PER ORDER.
- (2) These "National Treasures" cards are still listed on their web site, moneyfactory.com, go to "The BEP Store," (October 2006). They are offered as a "Subscription" for \$85 for all five (5), or \$27.50 less than the individual purchase of all five. "Souvenir Cards" are those produced in 2000 (B238-249), the Western Currency Facility (B271), and the Cherry Blossom card (B279). The "Lewis and Clark Bicentennial Print" (B270) is "sold out," but the "Westward Journey" (B272) is still offered.
- (3) I believe that the Chapter One NAPEX cards for 2002 and 2003 are still available at \$6.00 each ppd. Card for 2004 was sold out.
- (4) The "Ten Dollar Reflections" cards are "sold out." It is reported that the BEP is only printing 300 cards over the subscription quantities! A word to the wise if they offer "subscriptions" in 2007!
- (5) The card is 8" x 10" so, presumably would carry the premium (see Note (1) above). SC FDOI with the \$8 souvenir sheet, \$20.00; SC FDOI w/Diplomats, \$15.00; SC FDOI w/Champlain issue, \$15.00; and SC FDOI w/three random "Wonders" stamps \$12.00. Supplies are limited as a number were sold at the show.
